**REUNION VILLAGE METROPOLITAN DISTRICT NO. 1
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Reunion Village Metropolitan District No. 1 (the “District”), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court for Adams County on November 14, 2019, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The organization was approved by eligible electors of the District at an election held on November 5, 2019. The District was organized in conjunction with Reunion Village Metropolitan District Nos. 2, 3, 4 and 5.

At a special election of the eligible electors of the District on November 5, 2019, a majority of those qualified to vote voted in favor of certain ballot questions authorizing the issuance of indebtedness and imposition of taxes for the payment thereof, for the purpose of providing financing for the planning, design, acquisition, construction, installation, relocation, redevelopment, operations and maintenance of the public improvements within the District including streets, parks and recreation, water and wastewater facilities, transportation, mosquito control, safety protection, fire protection, television relay and translation, and security.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Developer Advance

The District is in the development stage. As such, the Developer is expected to fund all of the District’s operating expenditures in 2024. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer.

Intergovernmental Transfers

The District will provide certain operation, maintenance and administrative services benefitting Reunion Village Metro District No. 2. The District will pay all costs of such services through the imposition of property taxes and transferring the net tax revenues to the District. District No. 2 will also transfer bond proceeds to pay for capital projects.

Expenditures

General and Administrative Expenditures

General and administrative expenditures include the estimated costs of services necessary to maintain the District’s administrative viability such as legal, accounting, district management, insurance and membership dues.

Emergency Reserve
